WHY

PARTICIPATE IN THE NASTT NO-DIG NORTH & ISTT INTERNATIONAL NO-DIG?

The NASTT No-Dig North & ISTT International No-Dig is the largest trenchless technology conference in Canada, where professionals attend to learn new techniques that will save money and improve infrastructure. The show provides attendees an opportunity to learn methods in technical sessions and talk to vendors during exhibit hall hours about new products and equipment.

On average, 1,000 industry professionals attend NASTT No-Dig North & ISTT International No-Dig, and 150 companies exhibit their trenchless products and services. Exhibitors and sponsors have the opportunity to meet with attendees on the show floor and network with potential customers at multiple social events including NASTT's Annual Educational Fund Auction.

We are excited about holding the 2025 NASTT No-Dig North & ISTT International No-Dig in Vancouver, BC. The facility offers a great space for exhibitors to showcase products and equipment with nearly 100,000 square feet of exhibit space.

ISTT INVITES YOU TO JOIN US IN VANCOUVER

IT IS WITH great pleasure that I invite you to join us in Vancouver, Canada in October 2025 for the ISTT International No Dig in partnership with the NASTT No Dig North. The event will take place from 27 –29 October 2025 at the Vancouver Convention Centre, situated right in the waterfront of Vancouver.

Located on Vancouver's waterfront with a dramatic mountain backdrop, the award-winning Vancouver Convention Centre offers one of the most beautiful settings in the world and convenient access to all the major visitor amenities in the downtown core. It is perfectly suited to an International No-Dig event.

Vancouver, British Columbia, nestled between snow-capped mountains and the sparkling ocean, is one of the most beautiful cities in the world. It offers Canada's best climate: mild winters and warm summers moderated by Pacific Ocean currents. Voted as the 'Best City in the Americas' year after year by Condé Nast Traveler magazine, Vancouver is a vibrant, cosmopolitan city and a great destination to showcase the latest in trenchless technology.

I encourage you to support this exciting event through attending the conference, sponsorship and/or exhibiting. The North American Society for Trenchless Technology has

a long history of running very successful events, whether national conferences or International No-Digs and the International Society for Trenchless Technology is pleased to partner with them for this event.

Delegates are guaranteed to take plenty away from the conference program with a range of international and local speakers covering projects, technology, the latest developments, policy and more. Additionally, a world-class exhibition will see companies from around the world displaying the very latest in products and services globally.

Of course it's not all work; the outstanding social program provides plenty of opportunity to network with old and new colleagues in a more relaxed setting. It is often at these functions that true bonds are created.

Make sure you don't miss out on Vancouver 2025 – sure to be the biggest and best ever.
